## Order of the Good Bear

The Canadian Forces Health Services Group was inducted into the “Order of the Good Bear” on January 21, 2010. Since then CFHSG personnel have displayed their dental and medical units, just the way it was in Afghanistan or wherever they are deployed and then they play doctor and nurse to the bear patients who arrive seeking medical attention.

Personnel from 28 (Ottawa) Fd Amb, CFHCC Ottawa, 1 Dent U, and CF H Svcs Gp HQ recently participated the Children’s Hospital of Eastern Ontario (CHEO) 2015 Teddy Bears’ Picnic which is held annually on the grounds of Rideau Hall with His Excellency the Governor General and his wife as the Patrons. The popular B\*A\*S\*H Tent (Bear Ambulatory Surgical Hospital) was open for children to bring their teddy bears and other stuffed animals for a checkup, setting of broken bones, reattachment of limbs and eyes, dental work, etc. all under the care of RCMS and RCDC personnel who volunteer their time.
