A few additional points for your information:

Parking: we are trying to arrange a dedicated parking area close to the entry gate.

Visitor passes and escorts: guests will require a “Red” visitor pass, meaning they must have an escort in the building at all times, i.e. when coming and going from the venue. We will arrange visitor passes in advance for pick-up at the gate. There guests will be met by their escorts, who will guide people in small groups from the commissionaire’s desk to the venue.

Payment: we ask for payment in advance. Cheque, cash or banking transfer are all possible.

Information sheets: We will put these details on an information sheet, together with maps, to send out to those who will be attending. Dahlia, the Surg Gen’s secretary, will be accepting the RSVPs. She will keep a list of confirmed attendees, and will provide the attendees with the info sheets as soon as they are available
